OUTSTANDING OPPORTUNITIES

Woodside is a mixed, 11-16 comprehensive school, serving a truly multi-cultural community, where every student is valued and treated as an individual. It is a school where young people's talents and abilities are nurtured and developed. We are passionate about our students and are deeply committed to ensuring they have a rich and successful experience. We believe in equipping students with the skills, knowledge and confidence for the future.

Students are offered an incredibly wide range of extra-curricular opportunities - from sport, music, arts and academic activities, all of which give them the opportunity for enjoyment whilst also building on their skills and interests. We also offer numerous opportunities for students to take on additional responsibilities which develop self-confidence, leadership and presentation skills through our award-winning Student Leadership team or award-winning Debating Society, for example.

We look forward to meeting you during our Open Mornings and Evening and welcoming you to our outstanding school.
